wow

. . ooh ouch

...

ouch*\u221e. I loved the Space Pilgrim Adventure games and I like the Space Pilgrim Academy Series even more! The story is amazing and so are all the characters. I had so much fun playing this and I cannot wait for future installments in the series!. Not impressed - Here is a video of me not being impressed: <u>https:///www.youtube.com/watch?v=SuHdQT0K12w&t=84s</u>. <u>Monster</u> Garden is a quirky and innocent study of surrealism. You walk through a world that makes sense, not to you as the player, but to the monsters that inhabit it. You quickly learn to go with the flow of the game and to enjoy the slightly confusing and mysterious world of monsters. That is the great achievement of the game. There is a real sense of a vibrant and wild world with characters that long for company, for freedom, for choice and for a good time.

It's a game for players who enjoy a wacky adventure game and don't get frustrated when the story is not spelled out for them, but instead is up for interpretation. It's an enjoyable and unusual little game that makes you want to figure out how to help and befriend all the little monsters of this technicolor world. I can assure you, you haven't played anything like it.. Starts out kind of fun then after the 4 or 5 hour mark hits you with a rule that if your move does not directly result in tiles being cleared youll get penelized. Its not something the computer has to follow.. Welp, they made a more badass skin then Gnabot...

This skin not only comes with a new voice, it comes with a new theme, killing spree, maracas, sombreros, nacho and taco blobs of spit, moustaches, AND THE WEEDLINGS PLAY INSTRUMENTS!

It's honestly, THE BEST SKIN of this year, hands down, they CANNOT top this, honestly it's amazing! I SERIOUSLY hope they create more awesome skins like this!

Every Gnaw player... no I mean, EVERYONE should experience this masterpiece of a skin, it's literally the greatest skin you can purchase on the steam store.. It it appears that Paradox is deleting my negative review of this game. Criticism is not allowed its seems. As so. I have decided to give the whole game and DLC a negative review. I love this game. If you have VR and are into space survival games, then this is a must play.

<u>I really hope Overflow develops a sequel someday.</u> This game was an absolute treat it definitely checks all the boxes im looking for in these types of horror survival games the visuals are really good too. On top of the main storyline that you get to indulge in there is also a pretty fun round based survival mode that you can play. I would rate this game a solid 8/10 definitely would recommend this game to anyone who is a horror game lover. I don't usually do good with horror games like these because they always scare the living\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u2665\u266

I hate giving bad reviews, especially since the concept itself is interesting for this game, and there seems to be a lot of content that I just haven't gotten to yet.

However, in my very brief time playing, the game has already crashed twice. The look of the game is tacky and appears incomplete, and the game plays very slowly. Even on a high performance machine, I experienced frame drops and the aforementioned crashes; even when the game isn't lagging, it still feels like I'm struggling to execute the controls I want because of the awkward mechanics. I quickly lose desire to play because of how awkward it is to even try.

There are some good ideas I see, but those same ideas are better explored in other games I think.

Not recommended, unless the developers patch it up and smooth out the rough edges pretty soon.. Holy ******** this game is on a new level. I thought when I would be purchasing this I would be getting some cheap knock off of the Aliens or Resident Evil franchise, but boy was I wrong! The amount of content in this game in insurmountable, and has technically passed games such as The Witcher or Grand Theft Auto series. I can't even begin to fathom how much effort the developers put into creating this gem, and only wish for more content. I feel as though this game has been misrepresented in the community for being some sort of "meme game", and don't understand the reason behind this. I applaud Amok for it's groundbreaking achievements and am excited for what is yet to come!. Brings a Swedish tear to my eye.

10\/10

Should delete Denmark though. Would make it better.. So well balanced, i love Predator and the burtality's are very easy to perform!

Just love it, BIG FAN here!. Nice short experience with no actual negative aspects.

[+] Nice visuals.

[+] Nice ambiance.

[] Relatively short

[] No interaction.

[] Will definitively be part of the VR experiences demonstrates to family colleagues and friends!

Experienced on: Oculus Rift with Touch on Windows 10 64-bit using Intel i7-960 paired with 12GB RAM and a pair of 780 GTX'S in SLI.
