### About This Content

Ready for some more hardcore action in Hacker Evolution Duality?

The Hardcore Package 1 DLC for Hacker Evolution Duality brings you 2 new levels designed for gamers who like a challenge that is harder than the original game.

Ingeniously designed and taking advantage of the new game features introduced with the recent updates (such as more console commands) these levels are guaranteed to push your skills to the limit.

Once again, you take on the Xenti Corporation and try to hack into their high security compound to gain access to their core server.

It's far from being easy and you will have to use tactics never before used in the game to achieve your objectives.
